

FREE tyre optimisation

Optimisation Performance

At TRS Tyre & Wheel we provide comprehensive technical info, giving you peace of mind.

Our innovative Tyre Optimisation service is **free of charge** for any tractors on Trelleborg or Mitas tyres.

What is included?

- » Machine weighing
- » Pressure advice
- » Footprint analysis
- » Tyre utilisation advice
- » Pre-harvest machine checks
- » Soil compaction advice
- » Tailored pressure charts for your machine
- » Duration approx 30 minutes

For more information, either contact Ivan Burrows - ivan.burrows@trelleborg.com or register online at www.trstyreandwheel.co.nz/optimisation
